2. Person must be 17 years of age or older.
3. Person must present one of the following:
  - a) Copy of General Educational Development (GED)
  - b) Copy of High School Diploma
4. High School Senior: Student must be scheduled to receive his/her high school diploma within six (6) months of the course end date. A letter must be submitted by the student's high school counselor or administrator verifying the student's enrollment and anticipated graduation date.

## Tuition and School Information

The tuition for the DENTAL ASSISTING course is \$3,199.00 with payment options as low as \$2,599.00. The tuition covers all costs for the course, including the \$100.00 registration fee and \$225.00 book fee (including the textbook rental). Additional state licensing fees or permits may be required by the state (see below). The only other cost not in the tuition is \$55.00 - \$65.00 for Healthcare Provider CPR which will be paid directly to the CPR Instructor. It will be available at the end of the 10th class and is needed to be part of a clinical team. However, CPR is not mandatory to finish the program. The course will run ten (10) consecutive weeks, eight classroom hours per week for a total of eighty (80) classroom hours of instruction. This will include lecture material as well as clinical "hands on" training consisting of four (4) hours of observation and eight (8) hours of participation. The full course totals ninety-two (92) clock hours.

### Summary of tuition and fees:

1. Tuition: \$2599 - \$3199 (includes books, textbook rental, and registration fee)
2. CPR certification: \$55-\$65 (market rate) Pay directly to CPR instructor.
3. State required fees (pay directly to state)

## School Licensure Statement:

Accelerated Dental Assisting Academy, LLC, is licensed by the Arkansas State Board of Career Education, Georgia Nonpublic Postsecondary Education Commission, Louisiana Board of Regents, Mississippi Commission on Proprietary Schools and College Registration C-681, and Alabama Community College System.

## Institutional Philosophy:

### Philosophy:

To give our students an opportunity to discover their life's career path, and to create passionate and qualified future employees by developing each student's knowledge, workplace performance skills, and by exploring their talents. We aim to assist each student in discovering his/her place in the dental field by preparing the student to use his/her expertise to obtain a dental assisting job.

### Commitment Statement:

People are valuable. Building relationships is expected. Maintaining credibility is our obligation. Serving others is our pleasure. Creating opportunity is our niche'. Crafting professionals is our passion.

## First Day Items for Students:

Students are to bring the following items to class on the morning of the first day:

## Dress Code:

Students are required to wear black scrubs and closed toe shoes. Black scrubs are also mandatory for observation days in the dental office.

## Class Hours:

Classes are held on either Fridays or Saturdays (depending on location of school)

Lecture hours: 8:00 a.m. – 12:00 noon

Lunch: 12:00 noon – 1:00 p.m.

Clinical/Lecture hours: 1:00 p.m. - 5:00 p.m.

Due to the short term of the course, we might not be able to observe all holidays.

## Breaks:

Students will have a 10-15-minute break every hour and a half of lecture time.

## Holidays that will be observed:

Good Friday, Easter, Thanksgiving, Christmas, Independence Day

## Housing:

Residential housing is currently not available.

## Campus Security Policy:

The school will not supply lockers or a place to store valuable possessions. Students may choose to either leave their purses, wallets, or any other possession at home, in their vehicle or in class at their own risk. No fire arms are allowed on the school campus at any time.

## Licensing Requirements for Jobs:

### Arkansas

To become a Registered Dental Assistant in the state of Arkansas an individual must hold a permit from the Arkansas State Board of Dental Examiners (ASBDE) to perform one or more of the allowed expanded functions, which include coronal polishing, operating dental radiographic equipment, inducing and monitoring nitrous oxide/oxygen analgesia, and monitoring patients under deep sedation or general anesthesia in offices where the dentist is permitted to provide those services.

To legally be employed as a dental assistant, one must successfully complete a state board approved radiology seminar and exam and obtain a Healthcare Provider CPR certification.

Accelerated Dental Assisting Academy (ADAA) provides a state board approved x-ray certification, coronal polishing training, and an opportunity to obtain a CPR certification on the last day of class.

## Recruiting Policies:

Accelerated Dental Assisting Academy (ADAA) is committed to a policy of nondiscrimination. ADAA does not discriminate in its educational program against qualified individuals on the basis of race, color, religion, national origin, sex, pregnancy, childbirth or related medical conditions, age, marital status, veteran status, or disability, physical, mental, emotional or learning disability, handicap or any other factor provided for by state and federal laws and regulations.

## Observation / Participation Days:

### Requirements:

Observation days are extremely valuable in the development of making students job ready in ten (10) weeks. Each student must shadow a practicing dental assistant (instructor) for one (1), four (4) hour day to experience what an actual day as a dental assistant is like. These observation days will be scheduled between the 1st – 3rd classes. Students will also be required to complete one (1), eight (8) hour participation day to ensure the students ability to perform practical dental assisting skills. These participation days will be scheduled between the 5th – 10th classes.

### Policy:

Observation and Participation Days are mandatory and graded. The Observation Day is a four-hour week-day session and is worth 20 points. The Participation Day is an eight-hour week-day session and is worth 40 points.

If the student is unable to attend, the student must contact the ADAA Regional Manager and provide written documentation. (ex.: letter from employer). Observation and Participation Days must be completed prior to the final day of class and must be scheduled with instructor during designated time slots. During these days, the student must complete all tasks on the Observation/Participation Day Forms and submit all necessary documents to the instructor for grading. Students are expected to follow office policies when attending these days. (ex.: dress code, cell phone policies, etc.)

### Scheduling:

Observation and Participation Days must be scheduled in accordance with ADAA provided scheduling form presented by the instructor on the first day of class. If the student is unable to attend his/her scheduled time, he/she must contact his/her instructor at least 24 hours prior to scheduled time to reschedule. The student must call the office to cancel/reschedule and may only reschedule one time.

In case of an emergency and not within the 24-hour notice period, student must contact the instructor and provide written documentation at the following class. If a student is a “no show”, they will automatically receive a zero for their grade.

## Tardiness/Absences:

### Tardiness:

Instructors take roll at the beginning of each class lecture and clinic. Students arriving to class more than five (5) minutes late are considered tardy. After a student accumulates three (3) Tardies, they will receive one (1) absence.

### Absences:

It is highly recommended that the student not be absent for any of the classes due to the concentrated learning structure of the course. Except for family emergencies and serious illness, students should plan on attending all classes. After three missed classes, the student will be terminated from the course. Refer to refund policy to determine if a refund applies.

## Missed Class/Student Make-Up Work

### Policy:

The student is responsible for inquiring, completing, and turning in all coursework missed during time of absence.

### Instructions for Make-up Work:

#### *Lecture*

Before returning to class, the student is to review the missed lecture material in the Student Handbook, which contains all testing information. The student must also listen to corresponding videos located on his/her MyAccount portal.

#### *Clinic*

Prior to the next class, the student is to review and complete all clinic worksheets for the class missed located in the Student Workbook. During clinic, the student must complete the independent section from their clinic guide after completing clinical tasks for current class.

### Exams

If a student misses an exam, the student must abide by the following:

- The student must coordinate a time with their instructor during the week. The student must be able to schedule a time that is convenient for the instructor. Instructor can use their discretion to decide if the student will make up the exam during the week or in the next class day.
- If the student and instructor are unable to schedule a make-up exam appointment during the week, the student must take the exam at the following class. The student will take the written portion at the beginning of lecture and practical portions during lunch.
- If the exam is not made up by the end of the class day immediately following the day of exam, the student will receive a zero for that exam.
- The student is responsible for scheduling a make-up appointment with their instructor. They must do this by contacting the office and speaking with an instructor.

## Drug and Alcohol Policy:

Accelerated Dental Assisting Academy is a drug/alcohol free Academy. The consumption, possession, and/or distribution of alcohol and other drugs are prohibited on school campus. Also, being under the influence of alcohol or other drugs on school campus is prohibited. Any student who is found to have violated the Academy's alcohol and drug policy will be terminated and not allowed to return to the Academy.

## Code of Conduct:

### General Standards:

- Be honest and unbiased when serving patients.
- Exhibit competence and respect for the profession.
- Strive to gain personal knowledge and skills required by the profession.
- Respect the authority, experience, and relationships with fellow students, faculty, staff, patients and the doctors.
- Honor all office policies as required by fellow faculty, staff and of the doctor's office.

### Responsibilities to Patients:

- Provide all patients with the highest quality of care in a timely and professional manner.
- Demonstrate respect, fairness and quality to all patients in all situations.
- Maintain confidentiality of all patient information, in strict accordance with all laws and regulations. (HIPAA)
- Maintain a professional attitude and extend the utmost respect while serving all patients.

### Responsibilities to Public:

- Student will not represent his/her level of education, ability or skills in any misleading manner.
- Substance abuse and/or working under the influence of any mind-altering substance is strictly prohibited.
- Student shall act in a professional manner at all times.
- Student shall practice good hygiene standards due to close proximity of workspace.

### Other Responsibilities:

- Cell phones shall be stored in a book bag, purse or left in a vehicle during all school activities to include-lecture, clinical, observation and participation days.
- Foul/inappropriate language is strictly prohibited, including offensive slang.
- Coverage of tattoos and piercings subject to specific office standards.
- Fingernails must be groomed and kept short enough to not puncture gloves.
- Chewing gum is prohibited.
- Hair must be groomed and pulled back for procedures.
- Food/drink must be consumed in designated areas at designated times as deemed appropriate by specific office standards.

## Student Grievances:

If a student has a complaint they are to contact the Academy's main office at 844-727-3755 and speak directly to a school representative. They must also file a written complaint either by email (david@accelerateddentalassisting.com) or letter (PO Box 1120, Denham Springs, LA 70727) to the school administration in order to resolve any issues. The Academy will then do everything in its power to successfully deal with the student's concerns.

It is important that the student files the complaint within 30 days of the course end date. Accelerated Dental desires to resolve any issues concerning their students with clear recollection and integrity. All complaints will be reviewed within 72 hours, and the student will be contacted within the following 48 hours.

### Arkansas:

Student complaints relative to actions of school officials shall be addressed to the Arkansas Department of Higher Education, 423 Main Street, Suite 400, Little Rock, AR 72201, email: Dhe.private.careered@adhe.edu, only after the student has unsuccessfully attempted to resolve the matter with the school after having first filed a written and signed complaint with the school's officials.

## Termination Policy:

The school's termination policy is based on professionalism. We expect all of our students to conduct themselves in a manner respectful to other students and faculty members. Should someone's enrollment be terminated, the school's refund policy will be followed, except that the student will not be allowed to repeat the course.

## Withdrawal Procedure:

Those wishing to withdraw for illness may resume their course of study in the next class series with no penalty. They may repeat the already completed sessions, if desired, at no additional charge with proper documentation of illness and approval. All other withdrawal reasons must be submitted through an approval process. Once approved, the student may then be transferred to the next class series with no penalty.

If a student wishes to withdraw and not return to the course, he/she must first contact and inform their Regional Dean at 1.844.727.3755. He/she will then be dropped from the course and the refund policy will be enforced. (See Refund Policy section)

Each student will be assigned a textbook on the first day of class. This book is rented and *MUST* be returned by the final day of class in the same condition as it was received. If a student withdraws or transfers from the course, they are responsible for returning their book. A refund/withdraw/transfer will NOT be processed until the textbook is returned. If a student does not return their book OR the book is returned damaged, a charge of \$125.00 will be added to their financial account. This charge will be assessed if the book is not returned within ten (10) days of the withdrawal date, transfer date, or end of class. Each instructor is responsible for making sure each student returns their textbook in the same

condition in which it was received and for reporting this information to their ADAA Regional Dean.

## Arkansas - Refunds, Cancellations & Graduation Requirements

### Three-Business Day Cancellation

I understand that if for any reason, I am unable to enter, all monies paid will be refunded if requested within three business days after signing an enrollment agreement and making an initial payment.

### Cancellation after 3-Business Days Cancellation Period, but before Commencement of the Course

Tuition or fees collected in advance of entrance and if the student does not begin classes, not more than \$100 shall be retained by the institution. Refunds for a student who does not begin classes shall be made within 30 days of the notice of cancellation.

### Refunds for Students Who Withdraw After Instruction Begins

1. After a student has completed less than 25% of the course (2.5 classes), the refunds shall be made on a pro rata basis. The institution shall refund 90% (1 class) or 80% (2 classes) of the tuition, less the registration fee (\$100) and used books (\$225).
2. After a student has completed 25% (2.5 classes) but less than 50% of the course (4.5 classes), the institution shall refund 50% of the tuition, less the registration fee (\$100) and used books (\$225).
3. After a student has completed 50% (5 classes) but less than 75% (7.5 classes), the institution shall refund 25% of the tuition, less the registration fee (\$100) and used books (\$225).
4. After a student has completed 75% of the course or more (7.5 or more classes), there will be no refund for the student.

Those wishing to withdraw for illness may resume their course of study in the next class series with no penalty. They may repeat the already completed sessions, if desired, at no additional charge with proper documentation of illness and approval. All other withdrawal reasons must be submitted through an approval process. Once approved, the student may then be transferred to the next class series with no penalty.

If a student wishes to withdraw and not return to the course, he/she must first contact and inform their Regional Dean at 1.844.727.3755. He/she will then be dropped from the course and the refund policy will be enforced.

A graduation certificate will only be awarded to those students completing the program with a 70% or above grade average. Those students whose grade average is below 70% or students who have missed more than 3 classes will not receive a certificate but will be allowed to retake the entire course (if desired) at a reduced fee of \$1500.

In the event the course is canceled, students will be refunded immediately.

## Job Placement Assistance

Accelerated Dental Assisting Academy has several ways to assist graduates in finding jobs upon graduation from our courses. Although we make diligent efforts to assist graduates in finding employment in the Dental Assisting Field, we make no guarantee of actual job placement. Ways in which we assist graduates in finding employment are:

- Review and critique resume
- Provide guidance on sample interview questions and coach graduate on interview process
- Provide lists of graduates along with contact information provided by student to Dental Offices who inquire of graduates looking for employment

## Counseling Services

There are no counseling services available to students.

## Scholarships

There are no scholarship opportunities available to students.

## VA Student Standard of Progress

A VA student must maintain a class academic average of 70% at the completion of 32 clock hours (4 classes). If the student does not meet the academic standards at the completion of 32 clock hours, they will be placed on probation for 7 calendar days.

In order to be considered off of probation, A VA student must maintain a class average of 70% at the completion of 40 clock hours (5 classes). If the student does not have a 70% at the completion of 40 clock hours, they will be determined to not be making satisfactory progress and the VA education benefits will be suspended (by the school's certifying official submitting a 22-1999b) effective on the last day of probation.

Reinstatement of VA Student's educational benefits: Once VA students educational benefits have been suspended, they may be reinstated by obtaining a 70% academic average. The school may terminate you from school attendance, but the student must meet the minimum standards discussed above in order to receive payment for VA benefits.

## VA Prior Credits

It is the policy of this institution that an evaluation of previous education and training will be conducted, appropriate credit granted, if applicable, the institution's duration in the course will be shortened proportionately, and that the Veteran's Administration and the student will be so notified. VA credit will be given for prior training for veterans and eligible programs.
