Institutional Philosophy and Commitment Statement

PHILOSOPHY:

To give our students an opportunity to discover their life's career path, and to create passionate and qualified future employees by developing each student's knowledge, workplace performance skills, and by exploring their talents. We aim to assist each student in discovering his/her place in the dental field by preparing the student to use his/her expertise to obtain a dental assisting job.

COMMITMENT:

People are valuable. Building relationships is expected. Maintaining credibility is our obligation. Serving others is our pleasure. Creating opportunity is our niche'. Crafting professionals is our passion.

School Licensure Statement

Accelerated Dental Assisting Academy, LLC, is licensed by Georgia Nonpublic Postsecondary Education Commission.

Recruiting Policy

Accelerated Dental Assisting Academy (ADAA) is committed to a policy of nondiscrimination. ADAA does not discriminate in its educational program against qualified individuals on the basis of race, creed, color, national origin, sex, pregnancy, childbirth or related medical conditions, age, marital status, veteran or military status, or disability: physical, mental, emotional or learning disability (including use of a service animal by the person with a disability), handicap or any other factor provided for by the state and federal laws and regulations. A student with a disability requesting a reasonable accommodation must notify the school as soon as possible in the enrollment process so that ADAA has adequate time to provide the reasonable accommodation.

Campus Information, Housing, and Security Policy

The school is held in an up to date dental office facility with a reception area that is converted to a classroom setting, operatories, and x-ray rooms where instructors have access to equipment for hands-on learning for students. Both male and female lavatories are available. There is parking in a well-lit parking lot. The facility is an ADA accessible facility, and reasonable accommodation will be provided at the request of the student. Maximum class size is 15 and student/teacher ratio is 15:1. The school will not supply lockers or a place to store valuable possessions. Students may choose to either leave their purses, wallets, or any other possession at home, in their vehicle or in class at their own risk. No fire arms are allowed on the school campus at any time.

Entrance/Admission Requirements

Students will apply online at www.adaa.us . Students will work with an Admissions Representative to ensure they meet the minimum entrance requirements. The following requirements are necessary to enroll in the dental assisting course offered by Accelerated Dental Assisting Academy:

1. Person must be in good health and present a clean neat appearance.
2. Person must be 17 years of age or older.
3. High School Senior: Student must be scheduled to receive his/her high school diploma within six (6) months of the course end date. A letter must be submitted by the student's high school counselor or Administrator verifying the student's enrollment and anticipated graduation date.
4. Person must present one of the following:
 - a) Copy of General Educational Development (GED)

Observation/Participation Days

Requirements:

Observation days are extremely valuable in the development of making students job ready in ten (10) weeks. Each student must shadow a practicing dental assistant (instructor) for one (1), four (4) hour day to experience what an actual day as a dental assistant is like. These observation days will be scheduled between the 1st – 3rd classes. Students will also be required to complete one (1), eight (8) hour participation day to ensure the students ability to perform practical dental assisting skills. These participation days will be scheduled between the 5th – 10th classes.

Policy:

Observation and Participation Days are graded. The Observation Day is a four-hour week-day session and is worth 20 points. The Participation Day is an eight-hour week-day session and is worth 40 points. If the student is unable to attend, the student must contact the ADAA Regional Manager and provide written documentation. (ex.: letter from employer). Observation and Participation Days must be completed prior to the final day of class and must be scheduled with instructor during designated time slots. During these days, the student must complete all tasks on the Observation/Participation Day Forms and submit all necessary documents to the instructor for grading. Students are expected to follow office policies when attending these days. (ex.: dress code, cell phone policies, etc.)

Scheduling:

Observation and Participation Days must be scheduled in accordance with ADAA provided scheduling form presented by the instructor on the first day of class. If the student is unable to attend his/her scheduled time, he/she must contact his/her instructor at least 24 hours prior to scheduled time to reschedule. The student must call the office to cancel/reschedule and may only reschedule one time. In case of an emergency and not within the 24-hour notice period, student must contact the instructor and provide written documentation at the following class. If a student is a “no show”, they will automatically receive a zero for their grade.

Grading System

ABSENT # of days	X-ray Quiz	Midterm Exam	Final Exam	Practical Exam	Identification Exam	Observation Day	Participation Day	Total pts. scored/ Total pts possible	Final Grade
	50	100	100	50	50	20	40		1-100%
0	40	95	100	40	50	20	40	385/410	94%

ABSENT:	Number of classes missed or fractions thereof. If more than 3 the student fails automatically. Each portion of the class (lecture or clinic) equals .5 days missed.
QUIZ:	Students are given an x-ray quiz following the class covering x-ray identification and the standard tooth identification numbering system (50 pts).
MID-TERM EXAM:	50 questions (possible 100 pts. total).
FINAL EXAM:	50 questions (possible 100 pts total).

FINAL PRACTICAL:	Hands on section of the test where the student has to transfer with you, show you how to take an x-ray on FRED and how to suction for a tooth that you call out (Possible 50 pts. total).
FINAL IDENTIFICATION:	Five station practical examination consisting of x-ray identification, instrument identification and dental materials identification. (Possible 50 pts. total).
OBSERVATION DAY	20 points.
PARTICIPATION DAY	40 points.
CPR/BLS:	Certification testing will be administered by American Heart Association or Red Cross
ASSESSMENT METHODOLOGY	Test material is administered by the Instructors on site. The tests have been developed by our curriculum team to ensure it is free from information that is offensive, and our Regional Deans monitor test practices with instructors to ensure test material is secure and administered properly.
GRADE (1-100%):	The final grade, on a scale of 1 to 100%, based on the performances in the x-ray quiz, midterm, final and practical exam.
Graduation credential	Upon satisfactory completion of the program, the student will be awarded a Certificate of Completion.

MINIMUM PASSING SCORE: 70%
MINIMUM PASSING ATTENDANCE: 70%

Tardiness and Absences

Tardiness:

Instructors take roll at the beginning of each class lecture and clinic. Students arriving to class more than five (5) minutes late are considered tardy. After a student accumulates three (3) tardies, they will receive one (1) absence.

Absences:

It is highly recommended that the student not be absent for any of the classes due to the concentrated learning structure of the course. Except for family emergencies and serious illness, students should plan on attending all classes. If a student misses more than 3 classes, the student will be terminated from the course. Refer to refund policy to determine if a refund applies.

Missed Class/Student Makeup Work

Policy:

The student is responsible for inquiring, completing, and turning in all coursework missed during time of absence.

Instructions for Makeup Work:

Lecture

Before returning to class, the student is to review the missed lecture material in the Student Handbook, which contains all testing information. The student must also listen to corresponding videos located on his/her MyAccount portal. The student is responsible for obtaining the missing fields in the lecture notes found in the Student Handbook. Information can be acquired from an instructor and /or classmate.

Instructions for Makeup Work:

Clinic

Prior to the next class, the student is to review and complete all clinic worksheets for the class missed located in the Student Workbook. During clinic, the student must complete the independent section from their clinic guide after completing clinical tasks for current class.

Exams:

If a student misses an exam, the student must abide by the following:

- The student must coordinate a time with their instructor during the week. The student must be able to schedule a time that is convenient for the instructor. Instructor can use their discretion to decide if the student will make up the exam during the week or in the next class day.
- If the student and instructor are unable to schedule a make-up exam appointment during the week, the student must take the exam at the following class. The student will take the written portion at the beginning of lecture and practical portions during lunch.
- If the exam is not made up by the end of the class day immediately following the day of exam, the student will receive a zero for that exam.
- The student is responsible for scheduling a make-up appointment with their instructor. They must do this by contacting the office and speaking with an instructor.

Tuition and School Information

The tuition for the DENTAL ASSISTING course is \$3,199.00 with payment options as low as \$2,599.00. The tuition covers all costs for the course, including the \$100.00 registration fee and \$225.00 book fee (including the textbook rental). Another cost not in the tuition is \$55.00 - \$65.00 (market rate) for Healthcare Provider CPR which will be paid directly to the CPR Instructor. It will be available at the end of the 10th class and is needed to be part of a clinical team. However, CPR is not mandatory to finish the program. The course will run ten (10) consecutive weeks, eight (8) classroom hours per week for a total of eighty (80) classroom hours of instruction. This will include lecture material as well as clinical "hands on" training consisting of four (4) hours of observation and eight (8) hours of participation. The full course totals ninety-two (92) clock hours. Each course is held inside a practicing dental office, and students will be using hands-on learning with dental office equipment. Each course will have a maximum of 15 students.

The tuition fee includes:

Student Handbook: "Accelerated Dental Assisting Handbook", Mishaux Ramirez, RDH

Student Workbook: "Accelerated Dental Assisting Workbook"

Textbook Rental: "Modern Dental Assisting", Torres & Ehrlich; 11th.Ed (2014); Elsevier Publishing.

All training and visual aids, materials and dental supplies used throughout the course.

All training is done by dental professionals in a practicing dental office, not a classroom.

Job Interview preparation and coaching.

Additional Fees:

1. CPR Certification: \$55-\$65 (market rate) Pay directly to CPR Instructor on 10th class.
2. State Required Fees (Pay directly to State)

Arkansas: Registered Dental Assistant Application Fee (see www.asbde.org for current fee)

Drug and Alcohol Policy

Accelerated Dental Assisting Academy is a drug/alcohol free Academy. The consumption, possession, and/or distribution of alcohol and other drugs are prohibited on school campus. Also, being under the influence of alcohol or other drugs on school campus is prohibited. Any student who is found to have violated the Academy's alcohol and drug policy will be terminated and not allowed to return to the Academy.

Code of Conduct

General Standards:

- Be honest and unbiased when serving patients.
- Exhibit competence and respect for the profession.
- Strive to gain personal knowledge and skills required by the profession.
- Respect the authority, experience, and relationships with fellow students, faculty, staff, patients and the doctors.
- Honor all office policies as required by fellow faculty, staff, and of the doctor's office.

Responsibilities to Patients:

- Provide all patients with the highest quality of care in a timely and professional manner.
- Demonstrate respect, fairness, and quality to all patients in all situations.
- Maintain confidentiality of all patient information, in strict accordance with all laws and regulations. (HIPAA)
- Maintain a professional attitude and extend the utmost respect while serving all patients.

Responsibilities to Public:

- Student will not misrepresent his/her level of education, ability or skills in any misleading manner.
- Substance abuse and/or working under the influence of any mind-altering substance is strictly prohibited.
- Student shall act in a professional manner at all times.
- Student shall practice good hygiene standards due to close proximity of workspace.

Other Responsibilities:

- Cell phones shall be stored in a book bag, purse or left in a vehicle during all school activities to include lecture, clinical, observation and participation days.
- Foul/inappropriate language is strictly prohibited, including offensive slang.
- Coverage of tattoos and piercings subject to specific office standards.
- Fingernails must be groomed and kept short enough not to puncture gloves.
- Chewing gum is prohibited.
- Hair must be groomed and pulled back for procedures.
- Food/drink must be consumed in designated areas at designated times as deemed appropriate by specific office standards.

Student MyAccount

Students will have access to a portal on the school website that will give access to view the following information:

- Student welcome letter: Requirements for the first day of class.
- Course schedule: Dates course classes are held and holidays.
- Grades: Students can view grades.
- Payments: Students can view payment balance.
- Videos: Videos from lecture.
- Transcript: Student has access to print a copy of transcript indefinitely.
- Course Catalog: Policies and expectations.

Student Records

Student transcripts will be maintained by the school for 50 years or until the school closes. Student records of grades and attendance will be kept a minimum of 8 years. Upon graduation, each student will be given a copy of his or her transcript. These records should be maintained indefinitely by the student. Students may request copies by writing the school, but student records are available for review by the student at any time through their MyAccount portal on the ADAA website.

Counseling Services

There are no counseling services available to students.

Student Grievances

If a student has a complaint, they are to contact the Academy's main office at 844-727-3755 and speak directly to a school representative. They must also file a written and signed complaint either by email (anewstart@accelerateddentalassisting.com) or letter (PO Box 1120, Denham Springs, LA 70727) to the school administration in order to resolve any issues. The Academy will then do everything in its power to successfully resolve the student's concerns.

It is important that the student files the complaint within 30 days of the course end date. Accelerated Dental desires to resolve any issues concerning their students with clear recollection and integrity. All complaints will be reviewed within 72 hours, and the student will be contacted within the following 48 hours.

Student complaints relative to actions of school officials shall be addressed to the Arkansas Department of Higher Education, 423 Main Street, Suite 400, Little Rock, AR 72201, email: dhe.private.careered@adhe.edu, only after the student has unsuccessfully attempted to resolve the matter with the school after having filed a written and signed complaint with the school's officials.

Termination Policy

The school's termination policy is based on professionalism. We expect all of our students to conduct themselves in a manner respectful to other students and faculty members. Should someone's enrollment be terminated, the school's refund policy will be followed, except that the student will not be allowed to repeat the course unless granted approval by ADAA administration for another location.

Withdrawal Procedure

Those wishing to withdraw for illness may resume their courses of study in the next class series with no penalty. They may repeat the already completed sessions, if desired, at no additional charge with proper documentation of illness and approval. All other withdrawal reasons must be submitted through an approval process. Once approved, the student may then be transferred to the next class series with no penalty.

If a student wishes to withdraw and not return to the course, he/she must first contact and inform their Regional Dean at 1.844.727.3755. He/she will then be dropped from the course after completing an Exit Interview Form and the refund policy will be enforced. (See Refund Policy section)

Each student will be assigned a textbook on the first day of class. This book is rented and *MUST* be returned by the final day of class in the same condition as it was received. If a student withdraws or transfers from the course, they are responsible for returning their book. A refund/withdraw/transfer will NOT be processed until the textbook is returned. If a student does not return their book OR the book is returned damaged, a charge of \$125.00 will be added to their financial account. This charge will be assessed if the book is not returned within ten (10) days of the withdrawal date, transfer date, or end of class. Each instructor is responsible for making sure each student returns their textbook in the same condition in which it was received and for reporting this information to their ADAA Regional Dean.

Prior Credits and Transfer of Credits Earned

Prior credits from another post-secondary institution will not be accepted. Accelerated Dental Assisting Academy makes no claim or guarantee that credit earned will transfer to another institution.

Requirements for Graduation

Policy:

1. Students must successfully complete the following requirements to receive their graduation awards:
 - Attain an overall grade average of 70% *
 - Attend 70% of all classes (7 or more classes) *
 - Return his/her rented textbook within 10 days of graduation or a \$125 charge will occur for the ownership of the textbook
2. Graduation awards will be available to students for pick up on the 2nd Monday (9-10 days) after the final day of class.

* Those students whose grade average is below 70% or students who have missed more than 3 classes will not receive a certificate but will be allowed to retake the entire course (if desired) at a reduced fee of \$1500.

In the event the course is canceled due to low enrollment (less than 5 students), students will have the option to transfer to another location, transfer to a future start date, or withdraw from the course and receive a full refund. Students will be notified by phone, email and text. Once decided, a student confirms decision by signing a revised enrollment agreement or completing an exit interview.

Graduation Awards

- Certificate in Dental Assisting
- Dental Radiography Certificate
- CPR/BLS Certification

Job Placement Assistance

Accelerated Dental Assisting Academy has several ways to assist graduates in finding jobs upon graduation from our course. Although we make diligent efforts to assist graduates in finding employment in the Dental Assisting Field, we make no guarantee of actual job placement. Ways in which we assist graduates in finding employment are:

- Review and critique resume
- Provide guidance on sample interview questions and coach graduate on interview process
- Coach students on overcoming objections in the job searching process
- Provide lists of graduates along with contact information provided by student to Dental Offices who Inquire of graduates looking for employment

Licensing Requirements for a job in AR

To become a Registered Dental Assistant in the state of Arkansas, an individual must hold a permit from the Arkansas State Board of Dental Examiners (ASBDE) to perform one or more of the allowed expanded functions, which include coronal polishing, operating dental radiographic equipment, inducing and monitoring nitrous/oxide/oxygen analgesia, and monitoring patients under deep sedation or general anesthesia in offices where the dentist is permitted to provide those services.

To legally be employed as a dental assistant, one must successfully complete a state board approved radiology seminar and exam and obtain a Healthcare Provider CPR Certification.

Accelerated Dental Assisting Academy (ADAA) provides a state board approved x-ray certification, coronal polishing training, and an opportunity to obtain a CPR certification on the last day of class.

CDA: The dental assisting program at Accelerated Dental Assisting Academy is not CODA-accredited. For a list of accredited dental assistant programs, visit Commission on Dental Accreditation, American Dental Association (<http://www.ada.org/en/coda>). To become a DANB CDA, graduates of this program must complete the requirements shown in Pathway II below. For more information about becoming a DANB CDA and for a list of state boards of dentistry, visit the Dental Assisting National Board, Inc. (DANB) (<http://www.danb.org>)

Options for eligibility to take the DANB CDA certification exam are listed below.

Pathway I:

1. Graduation from a CODA-accredited dental assisting or dental hygiene program, AND
2. Current CPR from a DANB-accepted provider

Pathway II:

1. High school graduation or equivalent, AND
2. Minimum of 3,500 hours of approved work experience, AND
3. Current CPR from a DANB-accepted provider

Pathway III:

1. Former DANB CDA status, or graduation from a CODA-accredited DDS or DMD program, or graduation from a dental degree program outside the U.S. or Canada, AND
2. Current CPR from a DANB-accepted provider

Refunds and Cancellations

Three-Business Day Cancellation

I understand that if for any reason, I am unable to enter the program, all monies paid will be refunded if requested within three business days (excluding Sundays and holidays) after signing an enrollment agreement and making an initial payment.

Refunds for Students who enrolled Prior to Institution Visit

Students who have not visited the institution prior to enrollment will have the opportunity to withdraw without penalties within three (3) days following a documented attendance at a regularly scheduled orientation or a documented tour of the facilities and inspection of the equipment. Institutions are required to keep records of students' initial visits and orientation sessions.

Cancellation after Three-Business Days Cancellation Period, but before Commencement of the Course

Tuition or fees collected in advance of entrance and if the student does not begin classes, not more than \$100 shall be retained by the institution. Refunds for a student who does not begin classes shall be made within 30 days of the notice of cancellation.

Refunds for Students Who Withdraw After Instruction Begins

The official date of termination or withdrawal of a student shall be determined in the following manner:

- 1) The official date of withdrawal of a student shall be determined by the date the student contacts the institution and completes the Withdraw Request Form.
- 2) The date on which the student is terminated for a violation of a published school policy which provides for termination.

All refunds will be issued within 30 days of withdrawal or termination.

Example of \$2,599 Refund Table

(\$2,274.00 Tuition + \$225.00 Book Fee + \$100 Registration Fee = \$2,599.00)
