Institutional Philosophy:

Philosophy:

To give our students an opportunity to discover their life's career path, and to create passionate and qualified future employees by developing each student's knowledge, workplace performance skills, and by exploring their talents. We aim to assist each student in discovering his/her place in the dental field by preparing the student to use his/her expertise to obtain a dental assisting job.

Commitment Statement:

People are valuable. Building relationships is expected. Maintaining credibility is our obligation. Serving others is our pleasure. Creating opportunity is our niche'. Crafting professionals is our passion.

Description of Facilities

The course (teaching and clinical) will take place in an established dental practice. The office is large enough to accommodate 15 students and will include dental treatment rooms, a laboratory, a large sterilization area, a business office, and facilities for video and lecture presentations.

Entrance Requirements

The following requirements are necessary to enroll in the dental assisting course offered by Accelerated Dental Assisting Academy:

1. Person must be in good health and present a clean neat appearance.
2. Person must be 17 years of age or older.
3. Person must present one of the following:
 - a) Copy of High School Transcript
 - b) Copy of Certificate of High School Equivalency
4. High School Senior: Student must be scheduled to receive his/her high school diploma within six (6) months of the course end date. A letter must be submitted by the student's high school Principal verifying the student's enrollment and anticipated graduation date. The letter must also verify that attending this course shall not interfere with the high school senior's secondary education.
- * Accelerated Dental Assisting Academy will not grant any credit for previous education, training, and/or work experience.

Tuition and School Information

The tuition for the DENTAL ASSISTING course is \$2,599.00. The tuition covers all costs for the course, including the \$100.00 registration fee and \$225.00 book fee (including the textbook rental). Additional state licensing fees or permits may be required by the state (see below). The only other cost not in the tuition is \$55.00 - \$65.00 (market rate) for Healthcare Provider CPR which will be paid directly to the CPR Instructor. It will be available at the end of the 10th class and is needed to be part of a clinical team. However, CPR is not mandatory to finish the

program. The course will run ten (10) consecutive weeks and will consist of eight (8) classroom hours per week for a total of eighty (80) classroom hours of instruction as well as a four (4) hour Observation Day and an eight (8) hour Participation Day. This will include lecture material as well as clinical "hands on" training for a total of ninety-two (92) clock hours.

Summary of tuition and fees:

- | | |
|----|--|
| 1. | Tuition: \$2599 (includes books, textbook rental, and registration fee) |
| 2. | CPR certification: \$55-\$65 (market rate) Pay directly to CPR instructor. |

The tuition fee includes all of the following:

Licensing Requirements for Jobs:

To legally operate dental x-ray equipment and perform dental radiographic procedures in North Carolina, a dental assistant must meet the requirements shown below.

Radiography Requirements:

A dental assistant must:

1. Pass the national DANB Certified Dental Assistant (CDA) exam, OR
2. Pass a radiological equivalency exam recognized by the North Carolina State Board of Dental Examiners. The equivalency exam may be taken by an assistant who can show evidence of seven hours of instruction in the production and use of dental x-rays and an educational program of not less than seven hours in clinical dental radiography, OR
3. Successfully complete a CODA-accredited dental assisting program, OR
4. Qualify as a DA II

Dental Assistant I (DAI)

A Dental Assistant I (DA I) in North Carolina is an individual who may perform basic supportive dental procedures under the direct control and supervision of a licensed dentist. To qualify to monitor patients under nitrous oxide, a DA I must:

- Successfully complete a North Carolina Board-approved seven-hour course in nitrous oxide-oxygen conscious sedation.

To be classified as a Dental Assistant II, an assistant shall meet one of the following criteria: (1) completion of:

- (a) an ADA-accredited dental assisting program and current certification in CPR; or
- (b) one academic year or longer in an ADA-accredited dental hygiene program, and current certification in CPR; or

(2) completion of the Dental Assistant certification examination(s) administered by the Dental Assisting National Board and current certification in CPR; or

(3) completion of:

(a) a 3-hour course in sterilization and infection control;

(b) a 3-hour course in dental office emergencies; and

(c) current certification in CPR.

(d) after completing Sub-Items (3)(b), (c), and (d) of this Rule, dental assistants may be trained in any dental delivery setting and allowed to perform the functions of a Dental Assistant II under the direct control and supervision of a licensed dentist, except as listed in Sub-Item 3(e) of this Rule.

(e) dental assistants may take radiographs after completing radiology training consistent with G.S. 90-29(c)(12).

(f) full-time employment and experience as a chairside assistant for two years (3,000 hours) of the preceding five, during which period the assistant may be trained in any dental delivery setting and allowed to perform the functions of a Dental Assistant II under the direct control and supervision of a licensed dentist.

Recruiting Policies:

Accelerated Dental Assisting Academy (ADAA) is committed to a policy of nondiscrimination. ADAA does not discriminate in its educational program against qualified individuals on the basis of race, color, religion, national origin, sex, pregnancy, childbirth or related medical conditions, age, marital status, veteran status, or disability, physical, mental, emotional or learning disability, handicap or any other factor provided for by state and federal laws and regulations.

Observation / Participation Days:

Requirements:

Observation days are extremely valuable in the development of making students job ready in ten (10) weeks. Each student must shadow a practicing dental assistant (instructor) for one (1), four (4) hour day to experience what an actual day as a dental assistant is like. These observation days will be scheduled between the 1st – 3rd classes. Students will also be required to complete one (1), eight (8) hour participation day to ensure the students ability to perform practical dental assisting skills. These participation days will be scheduled between the 5th – 10th classes.

Policy:

Observation and Participation Days are mandatory and graded. The Observation Day is a four-hour week-day session and is worth 20 points. The Participation Day is an eight-hour week-day session and is worth 40 points.

If the student is unable to attend, the student must contact the ADAA Regional Manager and provide written documentation. (ex.: letter from employer). Observation and Participation Days must be completed prior to the final day of class and must be scheduled with instructor

during designated time slots. During these days, the student must complete all tasks on the Observation/Participation Day Forms and submit all necessary documents to the instructor for grading. Students are expected to follow office policies when attending these days. (ex.: dress code, cell phone policies, etc.)

Observation and Participation Days will be scheduled at the following offices:

Rolling Ridge Dentistry 7510 Ramble Way Ste. 101, Raleigh, NC 27616

Long Leaf Dentistry 1440 Brogden Woods Ste. 101, Wake Forest, NC 27587

Scheduling:

Observation and Participation Days must be scheduled in accordance with ADAA provided scheduling form presented by the instructor on the first day of class. If the student is unable to attend his/her scheduled time, he/she must contact his/her instructor at least 24 hours prior to scheduled time to reschedule. The student must call the office to cancel/reschedule and may only reschedule one time.

In case of an emergency and not within the 24-hour notice period, student must contact the instructor and provide written documentation at the following class. If a student is a “no show”, they will automatically receive a zero for their grade.

Tardiness/Absences:

Tardiness:

Instructors take roll at the beginning of each class lecture and clinic. Students arriving to class more than five (5) minutes late are considered tardy. After a student accumulates three (3) Tardies, they will receive one (1) absence.

Absences:

It is highly recommended that the student not be absent for any of the classes due to the concentrated learning structure of the course. Except for family emergencies and serious illness, students should plan on attending all classes. After three missed classes, the student will be terminated from the course. Refer to refund policy to determine if a refund applies.

Missed Class/Student Make-Up Work

Policy:

The student is responsible for inquiring, completing, and turning in all coursework missed during time of absence.

Instructions for Make-up Work:

Lecture

Before returning to class, the student is to review the missed lecture material in the Student Handbook, which contains all testing information. The student must also listen to corresponding videos located on his/her MyAccount portal.

Clinic

Prior to the next class, the student is to review and complete all clinic worksheets for the class missed located in the Student Workbook. During clinic, the student must complete the independent section from their clinic guide after completing clinical tasks for current class.

Exams

If a student misses an exam, the student must abide by the following:

- The student must coordinate a time with their instructor during the week. The student must be able to schedule a time that is convenient for the instructor. Instructor can use their discretion to decide if the student will make up the exam during the week or in the next class day.
- If the student and instructor are unable to schedule a make-up exam appointment during the week, the student must take the exam at the following class. The student will take the written portion at the beginning of lecture and practical portions during lunch.
- If the exam is not made up by the end of the class day immediately following the day of exam, the student will receive a zero for that exam.
- The student is responsible for scheduling a make-up appointment with their instructor. They must do this by contacting the office and speaking with an instructor.

Drug and Alcohol Policy:

Accelerated Dental Assisting Academy is a drug/alcohol free Academy. The consumption, possession, and/or distribution of alcohol and other drugs are prohibited on school campus. Also, being under the influence of alcohol or other drugs on school campus is prohibited. Any student who is found to have violated the Academy's alcohol and drug policy will be terminated and not allowed to return to the Academy.

Student Grievances:

If a student has a complaint they are to contact the Academy's main office at 844-727-3755 and speak directly to a school representative. They must also file a written complaint either by email (emily@accelerateddentalassisting.com) or letter (PO Box 1120, Denham Springs, LA 70727) to the school administration in order to resolve any issues. The Academy will then do everything in its power to successfully deal with the student's concerns.

It is important that the student files the complaint within 30 days of the course end date. Accelerated Dental desires to resolve any issues concerning their students with clear recollection and integrity. All complaints will be reviewed within 72 hours, and the student will be contacted within the following 48 hours.

If Accelerated Dental Assisting Academy is unsuccessful in resolving the matter, the student's complaint should then be directed to the North Carolina Community College System 5001 Mail Service Center Raleigh, NC 27699-5001 (919)807-7061. Complaints should only be pursued after the student has unsuccessfully attempted to resolve the matter with the school after having first filed a written and signed complaint with the school's officials.

Termination Policy:

The school's termination policy is based on professionalism. We expect all of our students to conduct themselves in a manner respectful to other students and faculty members. Should someone's enrollment be terminated, the school's refund policy will be followed, except that the student will not be allowed to repeat the course.

Withdrawal Procedure:

Those wishing to withdraw for illness may resume their course of study in the next class series with no penalty. They may repeat the already completed sessions, if desired, at no additional charge with proper documentation of illness and approval. All other withdrawal reasons must be submitted through an approval process. Once approved, the student may then be transferred to the next class series with no penalty.

If a student wishes to withdraw and not return to the course, he/she must first contact and inform their Regional Dean at 1.844.727.3755. He/she will then be dropped from the course and the refund policy will be enforced. (See Refund Policy section)

Each student will be assigned a textbook on the first day of class. This book is rented and *MUST* be returned by the final day of class in the same condition as it was received. If a student withdraws or transfers from the course, they are responsible for returning their book. A refund/withdraw/transfer will NOT be processed until the textbook is returned. If a student does not return their book OR the book is returned damaged, a charge of \$125.00 will be added to their financial account. This charge will be assessed if the book is not returned within ten (10) days of the withdrawal date, transfer date, or end of class. Each instructor is responsible for making sure each student returns their textbook in the same condition in which it was received and for reporting this information to their ADAA Regional Dean.

Refunds, Cancellations & Graduation Requirements

If tuition and fees are collected in advance of the starting date of a program and the institution cancels the class, one hundred percent (100%) of the tuition and fees collected shall be refunded. The refund shall be made within thirty (30) days of the planned starting date.

Refunds for Students Who Withdraw on or Before First Day of Class

If tuition processing fees are collected in advance of the starting date of classes and the student does not begin classes or withdraws on the first day of classes, no more than One Hundred Dollars (\$100.00) of the tuition and processing fees may be retained by the institution. The refund shall be made within thirty (30) days of the class starting date.

Refunds for Students Who Enrolled Prior to Institution Visit

Students who have not visited the institution prior to enrollment will have the opportunity to withdraw without penalties within three (3) days following a documented attendance at a regularly scheduled orientation or a documented tour of the facilities and inspection of the equipment. Institutions are required to keep records of students' initial visits and orientation sessions.

Refunds for Students Who Withdraw After Instruction Begins

Contractual obligations beyond twelve (12) months are prohibited. The refund policy for students attending proprietary institutions who incur financial obligations for a period of twelve (12) months or less shall be as follows:

1. After a student has completed less than 25% of the course (2 ½ classes), the institution shall refund 75% of the tuition, less the registration fee (\$100) and used books (\$225).
2. After a student has completed greater than 25% (2 ½ classes) the institution will retain 100% of the stated course price.

Those wishing to withdraw for illness may resume their course of study in the next class series with no penalty. They may repeat the already completed sessions, if desired, at no additional charge with proper documentation of illness and approval. All other withdrawal reasons must be submitted through an approval process. Once approved, the student may then be transferred to the next class series with no penalty.

If a student wishes to withdraw and not return to the course, he/she must first contact and inform their Regional Dean at 1.844.727.3755. He/she will then be dropped from the course and the refund policy will be enforced.

A graduation certificate will only be awarded to those students completing the program with a 70% or above grade average. Those students whose grade average is below 70% or students who have missed more than 3 classes will not receive a certificate but will be allowed to retake the entire course (if desired) at a reduced fee of \$1500.
